School Improvement Priority: Curriculum and Teaching

- 1 To ensure every child receives a high-quality oracy education every day.
- 2 To improve writing outcomes across the school.
- 3 To improve pupils' fluency and recall of key number facts to enable greater accuracy, speed and confidence.

School Improvement Priority: Attendance and Behaviour

To reduce the number and duration of fixed-term suspensions through the implementation and embedding of an inclusive intervention classroom ensuring vulnerable pupils remain safely engaged in their education.

To develop individualised behaviour and curriculum plans in order to meet individual needs.

School Improvement Priority: Early Years

To develop the Early Years outdoor environment into a rich, engaging and purposeful learning space that supports progression and enables all children to thrive.
