WELCOME BACK!

MRS HOWLETT'S MESSAGE OF THE WEEK 11TH SEPTEMBER

What a wonderful first week we have had at Newtown C of E Primary School!

It has been lovely to welcome everyone back after the summer break.

The school has quickly come alive again with happy faces, busy classrooms, lots of learning and plenty of laughter. There is a real sense of excitement and positivity around school, and it has been wonderful to see the children settling back into their routines so well.

A very special well done to our new Reception children, who have made such a fantastic start to school life. Coming into school part-time during their first few weeks is a big step, and they have done incredibly well. We have been so proud to see their confidence growing each day as they get to know their teachers, make new friends and become familiar with their new surroundings.

We have also been delighted to welcome our new families and children across the school. We hope you are already beginning to feel part of our Newtown community.

The school feels lovely - calm, purposeful and full of enthusiasm for the year ahead. Our children have returned ready to learn, have fun and demonstrate our school values of Love, Courage and Friendship.

Thank you to all our parents and carers for helping the children have such a positive start to the new school year. We are looking forward to all that the year ahead will bring!

Welcome back, everyone - it is wonderful to have you all with us again!

Headteacher

WELLBEING TIPS

Wellbeing is supported by small daily habits that help families feel healthy, connected, and positive. Encourage children to get plenty of sleep, stay active, spend time outdoors, and eat balanced meals. Taking a few moments each day to talk about feelings, share something you are grateful for, or enjoy a screen-free activity together can strengthen family relationships and support emotional wellbeing. Remember that looking after yourself as a parent or carer is important too, as children often learn healthy habits by watching the adults around them.

DSLs ensure that safeguarding policies are followed consistently and that any concerns about a child's welfare are taken seriously and acted upon promptly.
