Booking Information for breakfast and after school club

How to Book Breakfast or After School Club via the Arbor App

Open the Arbor App on your device.

Scroll down to the “Activities” section.

Tap on “Clubs”.

Select the club you wish to book (e.g., Breakfast Club or After School Club).

Tap “Register for this club”

Select the dates or sessions you want to book.

Confirm and complete the registration.

More information

After School Club offers valuable support for parents by providing a safe, structured, and engaging environment for children beyond regular school hours. It helps working parents manage their schedules more easily, reduces the stress of after-school childcare arrangements, and ensures children are supervised while participating in fun and enriching activities. This added flexibility can make a significant difference in balancing work and family life.
