Project

- Create a map of Gosport from 100 years ago.

Each half term, we would like you to encourage your child in completing the Must Do Activities. We ask that at the end of the half term, your child brings their Must Do Project activity into school (specific dates will be shared nearer the time) where they will share and celebrate their learning with our whole school community.

You may also choose to encourage your child in challenging themselves and completing other activities suggested on this sheet!

Perhaps your child might have their own ideas linked to our project which we would be pleased to see.

Your child will be rewarded with a certificate after our celebration of their learning.

We look forward to see their creations!
