

Welcome to all our new Year 2 children!

Autumn 2026

Robins and Kingfishers

Collective Worship

Family Collective Worship takes place on a Thursday morning at 9.15am in the hall and is led by Rev Ray and Anna from the church. This is a wonderful opportunity to come together to celebrate birthdays. We would love to see you there.

Please ensure that all of your child's clothes are named.

Please ensure that your child has a bag and a named water bottle in school everyday.

We have a busy term ahead! We will be learning about Mary Anning and her adventures fossil hunting.

We will be creating our own fossils made out of clay!

After half term, we will be completing an exciting project in Geography where we will journey around the world looking at the similarities and differences of human and physical features of different places.

Home Learning:

In Year 2 we expect the children to complete the following home learning activities:

- Daily reading. We encourage the children to read by awarding reading certificates. Your child must read five times with an adult (from home or school) to get a tick in a box. As your child achieves the ticks in the boxes, they will receive a certificate and in time different reading badges in our celebration collective worship on a Friday.
- Regular number skills practice including x2, x5 and x10 tables.
- In addition, your child will receive half term home learning.. You will notice that there are now some 'Must Do' activities and some 'Could Do' activities. Home learning should be an activity which you complete with your child, making it a positive time spent together. At the end of each half term, we will celebrate your child's achievements as a school community and your child will be awarded with a certificate.
- Your child will also receive weekly spelling or phonics home learning. on a Friday. We ask that this is completed and returned by the following Wednesday.

PE Kit should be NAMED and include;
