Year 1 Autumn 2 Home Learning Activities

What would our lives be like if toys had never been invented?

Make...

In school, we will be learning about toys so we can make a moving toy. At home we would like you to:

- Create a junk model toy out of items found in your home.

Design...

Think about the toys that Dave saw at the fair. We would like you to:

Design a new toy for Dave to play with

Draw your design, label your design

Remember...

We want to see what your child is doing at home, please add to tapestry!

Send things in named

Count...

Practise counting to and across 100 forwards and **backwards** (start from any number)

Practise reading and writing numbers from 1-20 in numerals and words

Practise counting in two's

Practise re call of number bonds to 10 (two numbers that make 10)

Write...

- Design and write a new label for Dogger
- Dogger went on an exciting adventure. Can you write about an exciting adventure that you have been on?
- Dogger is 'soft' and 'brown'. Can you think of any other adjectives to describe him?

Research...

- Ask your grandparents or parents what toys they used to play with. How do they compare to your toys? Can you find any photos of their toys?
- Research what materials used to be used to make toys.
- Think about how you would like to show what you have found out – a poster, a PPT or even a video.

Read...

Continue to read books that are sent home at least 5 times a week.

Read non-fiction and fiction books about toys.

Read Dogger by Shirley Hughes.

Create a book review about one of the books that you read.
