- Count in 2's, 5's 10s and 3's to and from 100
- Practise rapid recall of multiplication and division facts for 2's, 5's, 10's and 3's times tables.
- Read and write numbers to 100 in numerals and words

Project

- **Practice songs/ parts for the nativity once they have been allocated.**

Project Question: How is the weather and landscape different between the Gosport and Sydney?

Each half term, we would like you to encourage your child in completing the Must Do Activities. We ask that at the end of the half term, your child brings their Must Do Project activity into school. This will give them the opportunity to share and celebrate their learning with our whole school community.

You may also choose to encourage your child in challenging themselves by completing other activities suggested on this sheet!

Perhaps your child might have their own ideas linked to our project which we would be pleased to see.

Your child will be rewarded with a certificate after our celebration of their learning.

We look forward to see their creations!

Could Do Challenges!

Research

Create a simple fact file for Gosport or Sydney You could include:

A famous landmark

An animal found there

A country in that continent

Write

Write a postcard from Gosport or Sydney to your class describing:

What you see, what you like/dislike, What the weather is like, What people are doing

Design

Choose either Gosport or Sydney and design a colourful poster to encourage people to visit. Include:

Pictures of landmarks, animals, or food

A catchy slogan
Fun facts

Make

Using recycled materials, build a famous landmark
