Year 3 Autumn 2 2026 Home Learning Activities

Must Do Activities!

Read....

- Continue to read books that are sent home at least 5 times a week.

Count.....

- Count in 2's, 5's 10s and 3's
- Recall number bonds to 10 and 20

Spell:

- Each week we will send home some spelling words that we have worked on that week. Practise creating and spelling words using these prefixes and suffixes. Then use these new words to write 4 sentences or more.

Project

- This half term we will be about the Stone age and making pasta salads. What makes a meal healthy? What ingredients could you use in your pasta salad to make it healthy?

Project Question:

Why do people want to make their mark?

Each half term, we would like you to encourage your child in completing the Must Do Activities. We ask that at the end of the half term, your child brings their Must Do Project activity into school (specific dates will be shared nearer the time) where they will share and celebrate their learning with our whole school community.

You may also choose to encourage your child in challenging themselves and completing other activities suggested on this sheet!

Perhaps your child might have their own ideas linked to our project which we would be pleased to see.

Your child will be rewarded with a certificate after our celebration of their learning.

We look forward to see their creations!

Could Do Challenges!

Research

- The key dates of the stone age to create your own time line.

Write

- Write a diary entry as if you were a stone age child. Include: what you ate, what you wore, where you played and any adventures that you went on.

Design

- Design a poster of cave art. Remember cave art had lots of animals in the drawings.

Make

- Create a model of a Stone age home (like a cave or a roundhouse) Use materials from around your home. Think about: What were the homes made from? Who lived in those homes? What items were inside the homes?
