Year 6 Autumn 2 2026 Home Learning Activities

Must Do Activities!

Read....

- Continue to read books that are sent home at least 4 times a week.

Count....

- Practise rapid recall of multiplication and division facts up to 12 x 12
- Take part in the weekly TTRS competition

Project...

- This half term we are learning about the Mayans. Each child will choose their own enquiry question at the beginning of term. We would like each child to create an artefact to complement their project. These will be displayed at the parent event at the end of the half term.

Project Question:

Why should we learn about the Mayans?

Each half term, we would like you to encourage your child in completing the Must Do Activities. We ask that at the end of the half term, your child brings their Must Do Project activity into school (specific dates will be shared nearer the time) where they will share and celebrate their learning with our whole school community.

You may also choose to encourage your child in challenging themselves and completing other activities suggested on this sheet!

Perhaps your child might have their own ideas linked to our project which we would be pleased to see.

Your child will be rewarded with a certificate after our celebration of their learning.

Could Do Challenges!

Research....

- Animals that are native to Mexico.
- The Mayan timeline.

Write....

- A tourist information sheet for Chichén Itzá

Design....

- A Mayan mask

Make...

- A hot chocolate (and remember to write down your recipe!)
- A model of a Mayan pyramid
